

# CALL FOR SUBMISSIONS

AXENÉO7 welcomes proposals in all media from artists and curators for its 2007-2008 programming.

AXENÉO7 has three large exhibition spaces, one of which has a fully windowed facade facing the street. Proposals may specify the preferred use of all three spaces, two spaces or only one. The empty areas between galleries 1 and 2 and between the Salle Jean-Pierre Latour and the offices allow access to projectors or other equipment that can be hidden behind those walls. For more detailed information, please consult the floor plan on the website ([www.axeneo7.qc.ca](http://www.axeneo7.qc.ca)).

AXENÉO7 pays artist's fees that meet and/or exceed the RAAV and CARFAC rates. Exhibitions receive professional technical support and are promoted through the printing and national distribution of invitations and press releases. As well, a bilingual booklet including images from the exhibition and a short critical text by an invited author is produced for each exhibition. This publication is widely distributed.
