

LA CHAMBRE BLANCHE
ARTIST-IN-RESIDENCY PROGRAM
AUGUST 2009 to JUNE 2010

CALL FOR SUBMISSIONS
DEADLINE : NOVEMBER 28TH 2008

LA CHAMBRE BLANCHE is an artist-run centre with a mandate to promote installation and site-specific practices. Our residency program is an opportunity offered to the artist to place into question the nature of artistic practice itself with regards to both its conception and public reception. LA CHAMBRE BLANCHE is particularly interested in works which, like works-in-progress, consider time as a medium. During their residency, the selected artists are invited to create a unique, ephemeral work, in the context of an actual live laboratory.

At LA CHAMBRE BLANCHE a residency lasts six weeks. During the 14 first days, the gallery is used exclusively as a studio space for the artist. The doors open to the public on the third week, allowing the visitors to come and meet the artist at work. Without discouraging projects that aim at attaining a final result (with a final piece), la chambre blanche is particularly sensible to the process of exploration and experimentation. Submitted projects must integrate installation and *in situ* practices.

LA CHAMBRE BLANCHE offers:

- residence of six weeks
- lodging at LA CHAMBRE BLANCHE
- \$ 1750 (CAN) artist fees
- technical assistance
- transportation cost for artists from the North-East of America (the half for the others)
- access to a woodworking shop and a computer lab
- access to the equipment and to the documentation centre

The proposal must include:

- a written description of the project proposed
- a resume (C.V.)
- an artist's statement
- a portfolio of the artist's work (digital pictures, CD-ROMs, videos, etc.)
- a self-addressed, stamped envelope for return of documents

Note : submitted documents must be Mac and NTSC compatible.
